Commissioner for Patents

Sir:

This is in response to the Final Office Action mailed November 7, 2007, and having a period for response set to expire on February 7, 2008.

The Final Office Action of November 7, 2007, is incomplete because it does not consider the Request for Continued Examination (RCE) and the Amendment Accompanying Request for Continued Examination (RCE) filed on October 31, 2007. The undersigned attorney pointed this out to Examiner Ahmed N. Sefer in a telephone discussion on November 8, 2007, and the Examiner said that he would issue a complete Office Action considering the RCE and the Amendment filed on October 31, 2007. However, according to the image file wrapper of the application, the complete Office Action had not yet been issued as of the filing date of this paper.

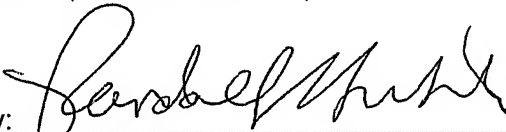

Accordingly, pursuant to MPEP 710.06, it is respectfully requested that a complete Office Action considering the RCE and the Amendment filed on October 31, 2007, be issued, and that the period for response be restarted.

If there are any additional fees associated with the filing of this paper, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,

STEIN, MCEWEN & BUI, LLP
